### Federal Railroad Administration

**[Docket Number FRA-2020-0060]**

### Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on August 19, 2021, the American Public Transportation Association (APTA) petitioned the Federal Railroad Administration (FRA) for an extension of an existing waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR parts 213, 214, 217, 218, 220, 225, 228, 229, 232, 234, 236, 240, 242, and 243. The relevant Docket Number is FRA-2020-0060.

APTA, on behalf of its member railroads, requests to extend certain temporary, conditional relief FRA previously granted by letter dated September 18, 2020, related to the coronavirus disease 2019 (COVID-19) public health emergency. *See* <https://www.regulations.gov/document/FRA-2020-0060-0005>.

In support of its petition, APTA notes that the Centers for Disease Control and Prevention guidance on social distancing, as well as avoiding crowds and poorly ventilated spaces are expected to remain in place for the foreseeable future and that commuter railroads are still operating with much-reduced workforces as a result of COVID-19 (over 12,000 commuter rail employees have tested positive and/or self-quarantined over the last 17 months).

APTA requests that FRA extend the existing relief previously granted in FRA's September 18, 2020, letter for one year.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at [www.regulations.gov](https://www.regulations.gov) (Docket Number FRA-2020-0060).

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
